

CCA Call for 2024 ICA Papers and Ad-hoc Reviewers

The Chinese Communication Association (CCA), a long-time affiliate of the International Communication Association (ICA), invites submissions for the 74th ICA annual conference to be held 20-24 June, 2024, in Gold Coast, Australia. This year ICA's conference theme is Communication and Global Human Rights. CCA-ICA research session invites submissions related to key issues in the Chinese communication field.

CCA will hold a competitive research session and each qualified paper will be reviewed by two reviewers. Papers will be evaluated on originality and importance of topic; adequacy of literature review; clarity and appropriateness of methods; soundness of analysis; validity and strength of conclusion and discussion; clarity and organization of writing; and relevance to the field of Chinese communication.

CCA will present a top faculty paper award and a top student paper award based on the results of the reviews. Papers submitted with both faculty and student authors will be considered faculty papers and are not eligible for student paper competitions.

Eligibility

You do not need to be a CCA member nor ICA member to submit a paper to the CCA competition. However, if your paper is accepted for presentation, you will need to register for the ICA conference and become a CCA member in order to be part of the program. If you won a top faculty paper or a top student paper, you will be awarded one-year free CCA membership.

For the CCA membership, visit <https://www.cca1.org/membership>. Detailed information about the ICA conference and ICA membership can be found at <http://www.icahdq.org>

- Please indicate if all authors are students

- Each paper should be double-spaced, using 12-point Times New Roman font, and have 1-inch margins
